

**ORLANDO, FL & VIRTUAL
NOVEMBER 11-14, 2026**

Dear Annual Assembly Exhibitor,

Thank you for your reservation to be an exhibitor at the 2026 AAPM&R Annual Assembly. We are so excited to have you in our exhibit hall during the Assembly and wish you a successful event. Our attendees are eager to come together in Orlando, and we want them to know you'll be there!

We encourage you to promote your attendance in the exhibit hall on social media and encourage physiatrists to meet you there. Help us get the word out prior to the early-bird deadline, so your physiatrists can save on their registration rate! We've included some fun event-related images and example social posts. Show your support and excitement for the Assembly by using #AAPMR26 in your posts. You can find more event details on our website: aapmr.org/2026.

If you have any questions, please let us know by emailing corporatesupport@aapmr.org.

Kind regards,
