ARRIVING PASSENGER – NON-RESIDENT OF GUAM

Guam Department of Public Health and Social Services (DPHSS) has put in place emergency public health measures to help slow the introduction and spread of COVID-19 in Guam. It is very important for the protection of your own health and that of the others in Guam that you abide by all aspects of this voluntary quarantine order.

Any and all costs associated with the quarantine and/or treatment of individuals who are subject to restricted entry into Guam pursuant to Executive Order shall be the responsibility of the individual and the carrier that the individual contracted with to travel to Guam.

1. **ALL** non-residents having originated from or traveled through international locations deemed to be “hot spots” shall be subject to 14-day quarantine at a GovGuam qualified quarantine facility.

By signing a *Voluntary Quarantine Acknowledgement*, Guam DPHSS hereby orders you to comply with the following:

- I agree to comply with the voluntary quarantine order for 14-days from my date of arrival in Guam.
 - I agree to be transported directly from the airport to the GovGuam designated quarantine facility.
 - I agree to remain in the GovGuam designated quarantine facility in my assigned room and I agree to not have any visitors or visit any other rooms in the facility.
 - I agree to be monitored for symptoms of COVID-19 including but not limited to:
 - Fever (Feel feverish or exact temperature if known $\geq 100.4^{\circ}\text{F}/38^{\circ}\text{C}$)
 - Cough
 - Shortness of breath
 - Chills
 - Headaches
 - Loss of smell or taste
 - I understand that I will be provided (3) meals a day.
 - I understand that I can only leave quarantine location for medical emergencies and approved medical appointments.
 - I understand that I may leave quarantine location before the end of the 14-day quarantine period if I provide verifiable information that I am leaving Guam even before the end of the 14-day quarantine period. In these instances, I will be transported directly from the GovGuam quarantine facility to the airport or other point of departure.
2. **ALL** non-residents traveling domestically or having originated from or traveled through international NOT deemed a “hot spot” shall be subject to 14-day quarantine at a GovGuam quarantine facility, OR
 - **Non-Residents** can present a valid diagnostic laboratory COVID-19 PCR negative test result for SARS CoV2, that is not more than one (1) week from the date of attempted entry into Guam, and shall complete the 14-day quarantine requirement at their personal residence or rental lodging.

QUARANTINE FACILITY FAQ

1. If I, a non-resident, get a negative COVID-19 test, can I go to my rental lodging?

Yes. If a non-resident presents a valid diagnostic laboratory **COVID-19 PCR negative test result for SARS Cov2 that is not more than one (1) week from the date of attempted entry into Guam**, the individual can complete the 14-day quarantine requirement at their personal residence or rental lodging.
2. Will I be tested while in quarantine?

People will only be tested during quarantine if they develop symptoms of COVID-19.
3. If I have an extenuating family circumstance, can I go home?

Extenuating circumstances will be considered on a case-by-case basis. Please provide documentation to onsite Public Health staff so that they may assess these situations. Once documentation is received, it may take time for Public Health to respond to your inquiry.
4. If I have medical conditions, does this mean I can go home?

Persons with medical conditions are not exempt from quarantine. Some people with medical conditions may quarantine at home. Facility medical staff determine the need to quarantine at home. Public Health will assess the home situation before granting approval to home quarantine. These individuals must still undergo monitoring by Public Health staff.
5. Can I end my quarantine early?

No. The quarantine period is based on the best available scientific evidence for COVID-19 at this time. There is no substitute for this incubation period.
6. If I begin experiencing symptoms while in quarantine, what do I do?

If you begin to experience even mild symptoms or simply feel different than you normally do, please bring this up to the staff conducting your daily screenings. If you urgently need medical attention, alert the front desk to call 911.
7. Can I visit my doctor while in quarantine?

You may attend pre-arranged medical appointments if we are able to verify that the clinic will accept you while quarantined. You must alert the medical and front desk staff about the appointment 24 hours before your appointment. We will arrange for transport from the facility to your appointment and back to the facility afterwards.
8. If I have a mental health concern, who do I contact?

Public Health Social Workers are onsite to connect you to a provider. The 24-hour Crisis Hotline is available if you would like to speak with someone urgently. The number is 647-8833.
