

FOR GROUP LEADERS

How to use this July Action Sheet

Whether your chapter is meeting in person (feels great, doesn't it?) or not, this Action Sheet will help you to start planning a transition to the in-person activities that you feel are safe for your volunteers. What will you keep that you loved about Zoom? What are you eager to get back to?

Our action **Tabling and presenting - What's old is new again** is aimed at helping you plan your transition back to in-person grassroots work (if yours is a new chapter, in-person may be totally new!). To liven things up during this action (if you're on Zoom, use breakout rooms) you may want to substitute or add:

1. Role-play tabling - Have volunteers partner up and take turns being a table visitor who wants to learn about CCL. This will give tablers the chance to ask open questions, pivot and talk about the benefits of the Energy Innovation Act.
2. Practice using online tools. Ask attendees to show a partner how to start a web browser on their phone, go to the link cclusa.org/write, and write a quick message to their MOCs. When table visitors do this on their phones, it's paperless, it can sign them up to CCL, and it shows them how easy it is to take action.

This month's action "**Make a chapter plan for safe in-person activities**" is about reviewing the activities you did in person before COVID and deciding which of them you want to start doing again. If your chapter has a steering committee, you may want to do some of this action with them. Keep in mind as you set your priorities that our D.C. team wants us to keep finding ways to show that carbon pricing is popular.

We've given you a boatload of strategic actions over the past few months, so it's understandable if some folks are worn out. Our "**Plan an in-person social gathering if it's safe to have one**" may be what your volunteers need to re energize and sprint during our climate advocacy work this summer.

You may want to add to your meeting agenda a few minutes for (1) a local liaison or lobby meeting leader to give a June lobby meeting summary, or (2) the leader on your "Meet with mayors" project to report. In August, watch for a new feature in the Action Tracker that will show progress toward nat'l action goals.

A sample meeting agenda (suggested time is 50-90 minutes)

1. Ask everyone to share who in CCL or what about CCL they appreciate? - *5-10 mins*
2. Give attendees the link to sign up for our Monthly Calling Campaign, cclusa.org/mcc, and encourage them to go there now and sign up while others share a June Conference highlight - *5-10 mins*
3. If attendees have seen Allie Kelly's presentation, invite them to share something they learned or are thinking about after hearing her speak. If you have a big group, use breakout rooms - *5-10 mins*
4. Do the two actions and the two bonus actions in the Action Sheet - *5-10 minutes each*
5. Do the Communications Exercise in the Action Sheet - *10 mins*
6. Round robin - what CCL action will you prioritize during the summer months? - *5-10 minutes*
