

FOR GROUP LEADERS

How to use this January Action Sheet

CCL volunteers gather locally each month in groups to do four things: [Learn, Celebrate, Practice and Act](#).

Information that you might like to share with your volunteers:

1. Your volunteers can now ask the community leaders they know to endorse carbon fee and dividend and carbon pricing on our new [endorsement form](#).
2. Congratulations on getting the Growing Climate Solution Act [over the finish line](#) in 2022.
3. Our [Trifold Tabling Display](#) is a great way to welcome new/returning volunteers to your gathering.
4. When new recruits attend CCL's Wednesday [Info Session](#) they are 12x more likely to be engaged.
5. Hooray! 43.8% of CCL LTEs submitted in 2022 were published.

Last month you started planning to advocate for one or more of the policies on our [policy agenda](#). This month, **Map out next steps for the policy(ies) you've selected** by further educating yourselves, gathering research results, surveying what's happening locally and starting up your outreach. During your planning, keep in mind that every outreach and service event you do is an opportunity to invite friends, family, community members and leaders, prospective volunteers, allies, and MOC staff to learn more about CCL.

In lieu of spring lobbying, **Plan a strategic in-district/state event to connect with your MOC** in the March timeframe. One goal is to show MOCs that they can count on you as a resource. Liaisons to newly elected first time MOCs will be invited to a special meeting with CCL Senior Director Jenn Tyler.

6. Practice the Communications Exercise. - 10 mins
