I am a constituent and a voter, and climate change is a high priority issue for me. I'm excited that the Energy Innovation and Carbon Dividend Act of 2019, H.R. 763, has been reintroduced in the U.S. House of Representatives. I am calling to [thank Congressman/Congresswoman __________ for co-sponsoring and to request that he/she ask a colleague to cosponsor / ask Congressman/Congresswoman __________ to co-sponsor] this important bipartisan legislation [for senators: when it is reintroduced in the Senate].
