

Energy Innovation AND Carbon Dividend Act

THE BIPARTISAN CLIMATE SOLUTION

H.R. 763

A HEALTHIER ENVIRONMENT

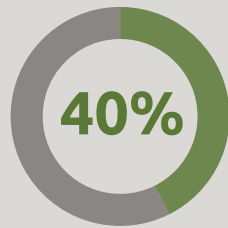

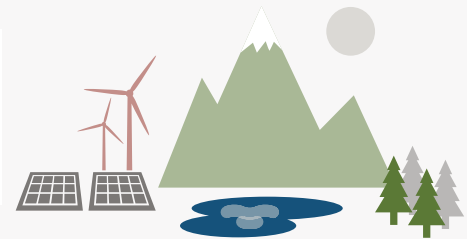

TODAY

114,000 lives lost
each year due to air
pollution

THE FUTURE

295,000 lives saved
through 2030 because
of better air quality

less
carbon
emissions
over the
next 12 years

A carbon fee and dividend will
create cleaner air and a stable
climate for you and your family.
