

## Ancillary Meeting Guidelines

### Meeting Dates: September 23 – September 26, 2026

### Scottish Event Campus – Glasgow, Scotland

#### Introduction

The IMS annual meeting brings together myeloma experts from around the world to discuss basic, preclinical and clinical aspects in the biology and treatment of multiple myeloma.

The IMS annual meeting presents a prime opportunity for affiliates of the IMS – exhibitors, corporate supporters, patient groups, and nonprofit organizations – to hold meetings and events in connection with the four-day workshop. The IMS annual meeting encourages affiliates to take advantage of this opportunity and has established a set of guidelines to be followed when planning and hosting ancillary meetings. All ancillary meetings held in conjunction with the IMS annual meeting, from Wednesday, September 23 through Saturday, September 26, 2026, must adhere to these guidelines, regardless of the meeting location.

#### Ancillary Meeting Examples

Other than the pre-approved sessions which are industry-sponsored, the IMS will be the sole provider of all educational and scientific programming from Wednesday, September 23 through Saturday, September 26, 2026. Consequently, **any ancillary meetings with an educational or scientific focus or intent are strictly prohibited during these four days and on Tuesday, September 22, the day prior to the IMS Annual Meeting.** Examples of permissible ancillary meetings, provided that a suitable request has been submitted and approved in advance, include:

- **Private food and beverage functions** that are by “invitation only.” Corporate/executive staff may speak about their products and services, but educational speakers are prohibited. An educational speaker is a non-corporate/executive staff who is considered a subject matter expert in the field of myeloma-related discussion and may or may not receive a fee for their speaking services.
- **Investigator Meetings/Industry Updates** that are by “invitation only.” Investigators involved in conducting research for the company and individuals who have provided consultation for the company are appropriate speakers; prospective investigators and consultants are not appropriate.
- **Hospitality desks** desired in hotel lobbies for the purpose of greeting and/or providing information and services to a select group of IMS attendees. Request for registration desks in pre-function or foyer space within meeting space of hotels should be noted within the request for the event looking to be held within the meeting space.
- **Press briefings** provided that: (a) content must be pre-approved; (b) the briefing must comply with any applicable embargo dates/times regarding IMS abstracts; and (c) briefings may not be

held at the Scottish Event Campus or conflict with any IMS-sponsored events.

- **Private interview rooms** needed to conduct interviews with meeting attendees/exhibitors. This space should only be requested if the company conducting the interview(s) does not qualify as a Media/Press registrant for the IMS annual meeting. If the company does qualify as such, they should register for the annual meeting under that respective category and utilize the allotted interview space at the Scottish Event Campus.
- **IMS member meetings** involving a group of special interest experts who are working on a joint project. Only IMS members should be submitting events under this category.
- **Patient advocate groups or nonprofit organization meetings** that do not involve commercial-interest companies.
- **Advisory Board Meeting** that only involve corporate board members, which may also include some related experts in the field for general company-related discussion.
- **Investor Meetings** that only involve corporate investors; hematologists that are considered Key Opinion Leaders (KOLs) are prohibited from attending.
- **Sponsor/Exhibitor pre-conference meetings** that are designed to prepare exhibit staff for exhibit participation. These meetings can be held at any time.
- **Internal sales, business, or staff meetings** for sponsors or exhibitors who are at the IMS annual meeting, provided that such meetings are closed to other IMS annual meeting attendees. These meetings can be held at any time.

**Please note:** Webinars and virtual conferences in conjunction with IMS are subject to these guidelines and will still require an official request for approval, even if they are hosted outside of the annual meeting location.

## Ancillary Meeting Requests

Requests for ancillary meetings held during the IMS annual meeting must be submitted via the Function Space Request form and approved by the IMS. Each ancillary meeting request must include: (a) the identity of the organizer requesting the ancillary meeting; (b) the date, start time and end time of the ancillary meeting; (c) the names and affiliations of the persons speaking at the ancillary meeting (only applicable to certain types of ancillary meetings as stated above); and (d) a brief description of the purpose and objectives of the ancillary meeting.

The main contact for each ancillary meeting request is responsible for assuring that all vendors, speakers, and meeting invitees understand and comply with the following guidelines. A violation of these guidelines will be attributed to all parties related to that meeting request.

- All ancillary meetings held during the IMS annual meeting must be approved by the IMS. To obtain approval, submit a completed Function Space Request form.
- There is a \$1,000 non-refundable fee per approved event request. This fee will be waived for corporate supporters of the IMS annual meeting at a Silver level or higher.
- **There is no meeting space available for ancillary functions at the Scottish Event Campus.** The IMS does not book meeting space for ancillary events. The main contact for each ancillary meeting request is responsible for booking their own space.
- Approval for ancillary meetings will be provided only to requestors who are affiliated with the

IMS annual meeting, such as exhibitors, corporate supporters, nonprofit organizations, IMS annual meeting members, and IMS annual meeting registered attendees.

- Hotels in the IMS annual meeting room block will not reserve meeting rooms/function space for ancillary meetings for any individuals/organizations during the IMS annual meeting without prior approval from the IMS. Please note that ancillary meeting guidelines apply to all ancillary meetings including meetings that will take place at a hotel not included in the annual meeting room block.
- The main contact is responsible for all costs associated with the approved ancillary meeting (food/beverage, audio/visual, equipment, labor costs, etc.). It is the main contact’s responsibility to work with the preferred venue to make arrangements and finalize billing.

**Important Note:** The IMS reserves the right to attend/monitor all ancillary meetings without notice. Violators will jeopardize participation in future IMS annual meetings.
