

23rd International Myeloma Society Annual Meeting

Shell Scheme Spaces Exhibit Package

The shell scheme spaces include per 9 m²:

- Badge Allotment:
 - (1) full conference registration
 - (4) Exhibitor badges
- Fascia nameboard
 - Must Submit by Tuesday, September 1, 2026, to Cameron Event Logistics via this form: <https://fs27.formsite.com/pUjkz4/sosjthxzwbi/index>
- (1) 500w electrical socket
- (3) spotlights on a track
- Blue carpet

Exhibitors with a shell scheme space will be responsible for ordering any tables, chairs and other furnishings through the official service contractor, Cameron Event Logistics.

Exhibitors are responsible for fitting their contracted exhibit space at their expense. Exhibits must be finished in all the stand's visible areas, including the rear side. Any part facing a neighboring stand should be designed with neutral shades (white.) Branding on the reverse facing into an adjoining stand or into an aisle/poster is not permitted. If the exhibitor does not comply, IMS Exhibits Management will have the general services contractor correct at the exhibitor's expense.

Customized stands by a third party are required to submit the following documentation for approval:

- Stand project with technical description and drawings
- Structural description and calculations for any special cases such as any singular element over the height of 350cm (i.e. independent wall or tower.)

The deadline to place orders at the advance price is Tuesday, September 1, 2026. You may place order via [Cameron Event Logistics' website](#). The event password is IMSCEL2026.
