

## LEGO® Education SPIKE™ Essential Hub Connection

Use this quick guide to connect your LEGO® Education SPIKE™ Essential hubs to Chromebooks!

### Step One:

Ensure Bluetooth is enabled on Chromebook. Turn on SPIKE™ Essential Hub by pressing small square button.

### Step Two:

Open SPIKE™ Essential App, either from AppStore download or [LEGO Education SPIKE](#), the webapp.

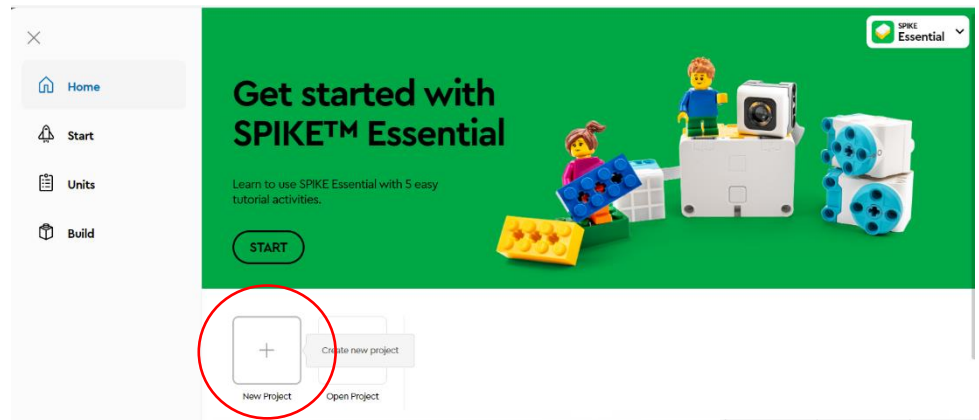

### Step Three:

Select SPIKE™ Essential.

### Step Four:

Select New Project.

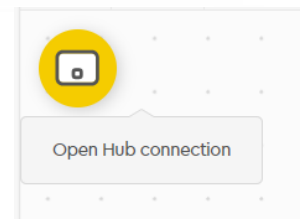

### Step Five:

Select Icon or Word Blocks.

### Step Six:

Select Connect icon from the upper left corner to open Hub connection.

### Step Seven:

Follow on-screen prompts.
