### DEFINITIONS AND EXPO RESPONSIBILITIES:

The name "Expo CCI" shall be construed within the meaning of this contract as Expo Convention Contractors Inc., and its employees, officers, agents and assigns including any subcontractors Expo CCI may appoint. The term "Exhibitor" refers to any party who contracts for services with Expo CCI. Expo CCI shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. Expo CCI assumes no responsibility for any person, parties or other contracting firms not under Expo CCI's direct supervision and control. Expo CCI shall not be responsible for loss, delay or damage due to strikes, lockouts, work stoppages, natural elements, vandalism, acts of God, civil disturbances, power failures, acts of terrorism or war or any other causes beyond Expo CCI's reasonable control; or for ordinary wear and tear in the handling of materials. Due to the security and liability requirements, we do not allow POV's to unload at the docks. POV's may ground load only.

### INDEMNIFICATION:

The Exhibitor agrees to indemnify, forever hold harmless and defend Expo CCI and its employees, officers and agents from and against any and all claims, causes of action, fines, penalties, damages, liabilities, judgments and expenses on account of personal injury or death, damage to or loss of property or profits arising out of, or contributed to by any of the following: (1) Exhibitor's negligent supervision of any labor secured through Expo CCI or the negligent supervision of such labor by any of the Exhibitor's employees, agents, representative, invitees, and/or exhibitor appointed contractor (EAC); (2) Exhibitor's negligence, willful misconduct, or deliberate act, or such actions of Exhibitor's employees, agents, invitees, representatives, or EACs at the show to which this contract relates, including but not limited to the misuse, improper use, unauthorized alteration or negligent handling of Expo CCI equipment; or (3) Exhibitor's violation of Federal, State or local ordinance; or violation of show regulations and/or rules as published by the Facility and/or Show Management.

## Terms and Conditions

### CLAIM(S) FOR LOSS AND PAYMENT FOR SERVICES:

Exhibitor agrees that any and all claims for loss or damage shall be submitted to Expo CCI prior to the conclusion of the show when alleged loss or damage occurred prior to that time and in all cases within 30 days of the conclusion of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which Exhibitor must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against Expo CCI more than one year after the date that loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between Expo CCI and the Exhibitor relative to any loss or damage claim, the Exhibitor shall not be entitled to, and shall not withhold payment for Expo CCI services as an offset against the amount of the alleged loss or damage. Any claim against Expo CCI shall be considered a separate transaction and shall be resolved on its own merit.

### EXPO CCI's LIMITS OF LIABILITY:

If found liable for any loss or damage, Expo CCI's sole and maximum liability for loss or damage to Exhibitor's materials will be limited to the repair or replacement with like kind and quantity, subject to a dollar amount not to exceed \$5.00 (five dollars) per pound based on the weight of the articles for which Expo CCI specifically acknowledges receipt in writing. Expo CCI shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from, or related to, a claim for loss of or damage to material.

### INBOUND AND OUTBOUND SHIPMENTS:

Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the Exhibitor or his representative. During such time, the materials will be left unattended. Expo CCI is not, and cannot be, responsible for loss, damage, theft, or disappearances of Exhibitor's materials after same have been delivered to the Exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of Exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. Expo CCI shall not be responsible for loss, damage, theft, or disappearance of Exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the Exhibitor and notations of exceptions to conditions of materials, or piece counts will be made on said document. Expo CCI assumes no responsibility for loss, damage, theft, or disappearance of Exhibitor's materials after same have been delivered to Exhibitor's appointed carrier or agent for transportation after the show. Expo CCI loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. Expo CCI assumes no liability for any materials after the carrier assumes custody of materials. If Exhibitor's designated carrier fails to show by the move-out deadline after a show, Expo CCI shall have the authority to route Exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at Exhibitor's expense. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the Expo CCI Service Desk.

### PACKAGING, CRATES AND EMPTY CONTAINERS:

Expo CCI shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. Expo CCI shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. Expo CCI shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the Exhibitor or his representative. All previous labels should be removed. Expo CCI assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "Empty".

## Material Handling Q & A

### Questions and Answers

#### What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

#### What is the definition of "freight"?

Any exhibit materials that are shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

#### What is a "certified weight ticket"?

A printed weight ticket from a scale certified or inspected by a government authority such as the Dept. of Agriculture, indicating the date weighed, the weight of the shipment and the vehicle ID of the unit being weighed.

#### What is the difference between material handling and shipping?

Shipping is the process of carrying your shipment from your location or pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show.

Material handling begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.)

#### Do I need to order a forklift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials.

### Important Facts About Advance Shipments

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

EXPO CCI will begin accepting your shipments 30 days prior to first show open day (dates may vary depending on show schedule, please see show information details for receiving dates).

The warehouse will receive shipments Monday-Friday, 8:30am-3:30pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.)

Crates, cartons, skids, fiber cases and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

### Material Handling Charges

#### What determines how much I am charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

#### How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. For example: 185 lbs. = 185 lbs X RATE = \$ Amount or minimum charge, whichever is greater.

#### Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization and Material Handling Information forms included in the manual for all applicable fees.

#### What is considered a small package?

Shipments that arrive via small package carrier such as FedEx Express Service, UPS small package service or DHL small package service AND do not have a certified weight ticket included with shipment. This will typically refer to any small packages weighing under 50 lbs. Please refer to the Material Handling Authorization for the weight range of a small package.

#### How do I calculate my small package shipment?

Charges for specialized carrier shipments are based on per carton, per delivery. Example: I'm shipping 3 packages via FedEx, how much will I be charged?  
3 x small package fee = \$ amount charged.

Please be advised that your whole shipment may not arrive to its destination at one time. Therefore, you will be charged per each delivery.

Weights from multiple shipments delivered on the same day from the same carrier will be combined. In these cases, standard material handling rates may apply, based on total weight.

### Crated - Uncrated - Special Handling

#### What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/ reloaded with no special handling required.

#### What are UNCRATED materials?

Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

#### What is SPECIAL HANDLING?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight on containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

### Important Facts About Direct Shipments

#### What are direct shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required. Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times. **All shipments must be prepaid, no collect on delivery shipments will be accepted.**

### Liability Insurance

#### What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required. Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

### Outbound Shipments

You must complete an EXPO CCI Bill of Lading (BOL) for all outbound shipments. A BOL will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk. Upon completion of packing and labeling of your materials, complete the BOL with all required information, and return to customer service.

If you have questions on how to complete your Bill of Lading (BOL), please ask a EXPO CCI customer service representative located at the customer service desk. If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, EXPO CCI will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your BOL).

## Booth Disposal/Bulk Trash

All Exhibitors and EAC (exhibitor appointed contractor) are responsible for removing all crates, cartons, and materials from the event site upon show conclusion. Failure to do so will result in a disposal fee of **\$10.00 per Sq. Ft** or a minimum labor charge of **\$1,000.00**, whichever is greater.\*

\*All rates are based on Gross Booth/Display Area i.e. a 20' x 20' booth equals 400 square feet. The fee calculation would be 400 x \$10.00 = \$4,000.00 + Applicable tax.

This fee is design to cover the costs associated with the removal and disposal of any items left behind, ensuring a smooth transition for our event space.

## Area Work Rules

To assist you in planning for your participation in this event, we are certain you appreciate knowing in advance that Union labor is required for certain aspects of your exhibit handling. To help you understand the Area Work Rules, we ask you to read the following:

### *FREIGHT HANDLING*

The Local Union claims jurisdiction over the operation of all mechanized material handling equipment and all unloading and reloading from the loading docks. An Exhibitor may move materials from the designated ground unloading area. Exhibitor is not allowed to use mechanized equipment to move their own freight. (i.e. no forklifts, pallet jacks or etc.) When Exhibitors choose to hand-carry in accordance with the foregoing, they are not permitted access to the loading dock area(s).

EXPO CCI is responsible for receiving and handling all exhibit materials and empty crates. It is our responsibility to manage loading docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition.

### *EXHIBIT INSTALLATION AND DISMANTLING*

We have a contract with the Local Union which claims jurisdiction over the installation and dismantle of trade shows and exhibits. Full time employees of the exhibiting companies, however, may set their own exhibits without assistance from this local Union labor. Any labor services that may be required beyond what your regular full-time employees can provide, must be rendered by the Union. Labor can be ordered in advance by returning the Labor form, or at show site, at the service Desk. Proof of full-time employment status may be requested by the Union Steward of any personnel working on your booth.

### *GRATUITIES*

We request that Exhibitors do not tip (such practices as giving money, merchandise, or other special consideration for services rendered) employees. Do not give coffee breaks other than mid-morning and mid-afternoon, when Union employees have fifteen minute paid breaks. Any attempts to solicit gratuity by an employee for any service should be reported immediately to a supervisor. Employees are paid at an excellent wage. Tipping is strongly discouraged and is not an accepted company policy.

### *EXPO HOLD HARMLESS AGREEMENT / VEHICLE SPOTTING*

The Association and Exhibitor will hold harmless EXPO Convention Contractors, for any damage or injury resulting from vehicle spotting. Damage or injury to Vehicle / Driver / 3rd Party Personnel / Display.

### *IN GENERAL*
